AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTION 16.80 THEREOF, RELATING TO DEATH BENEFITS, TO PROVIDE THAT MAXIMUM DEATH BENEFIT PAYABLE UPON DEATH OF CERTAIN MEMBERS SHALL BE ~~TWENTY-FIVE~~ FIFTEEN HUNDRED DOLLARS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 16, Article IV, Section 16.80 of the San Francisco Administrative Code is hereby amended to read as follows:

Sec. 16.80. Death Benefits.

(a) Death in performance of duty. Upon the death of any person who is a member under section 8.540 or 8.565 of the charter, if such death shall result from his performance of duty as prescribed in such sections, respectively, or if such death in the case of members under section 8.565 of the charter shall occur after qualification for service retirement, there shall be paid to the widow, children or parents of such member, the benefits provided in such sections, the benefits provided in such sections for members at January 8, 1932, of the police and fire departments, upon death resulting from the performance of duty and upon death occurring after qualification for service retirement. If such death after qualification for service retirement shall not result from the performance of duty and if there be no surviving wife, children or parents to whom benefits are payable under this subsection, the benefits provided in the next following subsection shall be paid to the beneficiary nominated by him as prescribed therein.

(b) Death not in performance of duty. Upon the death before retirement, if such death be not included under subsection (a) of this section, of a member while in the city service, or within four months after the discontinuance of city service, or while physically or mentally incapacitated for performance of his duty, if such incapacity has been continuous from discontinuance of city service, the

retirement system shall be liable for a death benefit, which, if an amount be due under paragraph (3) of this subsection, and if there be a surviving wife or surviving children, shall be paid in monthly installments and to the surviving wife and children as prescribed therein; otherwise, such death benefit shall be paid to his estate, or to such person having an insurable interest in his life as he has nominated or shall nominate by written designation duly executed and filed with the retirement board, and such death benefit shall consist of:

(1) His accumulated contributions, and in addition thereto:

(2) An amount equal to the compensation earnable by him during the six months immediately preceding his death, but with respect only to members who affirmatively exercise the option provided in section 16.31 of this code, such compensation earnable for any month shall not exceed nine hundred dollars, and if such member be a member under section 8.543 or 8.567 of the charter, and if such death, in the opinion of the retirement board, be the result of bodily injury, sustained while in the performance of duty, in addition thereto.

(3) An amount sufficient, when added to the amounts provided in the next preceding paragraphs (1) and (2), to provide, when applied according to mortality tables adopted by the board, a monthly death benefit allowance equal to one-half of the monthly compensation earnable by such member during the ten years immediately preceding his death, to be paid to the surviving wife to whom such member was married prior to sustaining the injury, to continue as long as she shall live or until her remarriage; or, if there be no widow, or if the widow die before any child of such deceased member shall have attained the age of sixteen years, then to his child or children under such age collectively, to continue until every such child dies or attains such age. If payment of the allowance be stopped

because of remarriage of the widow or attainment of the age of sixteen years by a child, before the sum of monthly payment made shall equal the sum of the amounts provided in the next preceding paragraphs (1) and (2), then an amount equal to the difference between such sums shall be paid in one amount to the remarried widow; or, if there be no widow, to the surviving children of the deceased member, to share and share alike.

(c) Designation of beneficiary. A member, or a beneficiary after the death of a member, may elect, by written designation duly executed and filed with the retirement board, to have the death benefit provided in this section paid in monthly or annual installments instead of in one lump sum, subject to such rules and regulations as the board may adopt.

(d) Death after retirement. Upon the death of any person, except persons referred to in sections 8.542 and 8.566 of the charter, after retirement and while receiving a retirement allowance from the retirement system, there shall be paid to his estate or to such person having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the retirement board, the sum of one hundred dollars for each completed year of city service credited to him at the time of his retirement, but the total amount paid shall not exceed ~~twenty-five~~ fifteen hundred dollars ~~($2,500)~~ ($1,500); provided, that the sum so paid upon the death of a person who was receiving a retirement allowance under the San Francisco city and county employees' retirement system, on January 8, 1932, or of a person who became a member of the retirement system by reason of his status as an employee of the public utility acquired by the city shall be not less than five hundred dollars, regardless of the city service credited. If such deceased person was retired as a member under section 8.507 or 8.509 of the charter and his retirement was first effective on or after

April 1, 1966, an allowance shall be paid to his widow, until her death or remarriage, equal to one-half of his retirement allowance as it was prior to optional modification and prior to reduction as provided in subsection (A) of charter section 8.514, but exclusive of the part of such allowance which was provided by additional contributions. No allowance, however, shall be paid under this section to a widow unless she was married to the member (i) at least one year prior to the member's death if she married said member prior to his retirement, or (ii) at least two years prior to the member's death if she married said member after his retirement. If he leave no such widow, or if she die or remarry before every child of such deceased retired person attains the age of eighteen years, then the allowance which such widow would have received had she lived and not remarried shall be paid to his child or children under said age, collectively, to continue until every such child dies or attains said age, provided that no child shall receive any allowance after marrying or attaining the age of eighteen years. If the member, at retirement, has no wife who upon his death would qualify as a widow to receive the allowance provided in this subsection, he may elect an option, as provided under section 16.75 of this code, with respect to all of his allowance; but if at his retirement he has such a wife, he may elect such option only with respect to that part of his retirement allowance, prior to reduction as provided in charter section 8.514, which is in excess of the allowance which would be paid to his widow under this paragraph. The funds for payments under this paragraph shall be derived:

(1) With respect to persons retired as members under charter sections 8.509, 8.544, and 8.568 from reserves held by the retirement system on account of member under such sections, respectively, and

(2) With respect to persons retired as members under charter sections 8.507, 8.543, and 8.567 from the accumulated contributions of the city held to meet the obligation of the city on account of benefits that have been granted and on account of prior service of members. Upon the death of any person after retirement and while receiving a pension under section 8.542 or 8.566 of the charter, as a retired member of the police or fire department, there shall be paid to his estate or to such person having an insurable interest in his life as he shall have nominated by written designation duly executed and filed with the retirement board, the sum of ~~one thousand~~ fifteen hundred dollars. The death benefits provided in this paragraph with respect to persons retired under charter sections 8.542 or 8.566, shall be funded by contributions to the retirement system by the city which shall not be less in any fiscal year than the amount of such benefits paid during said year.

(e) Revocation of nomination of beneficiary. A person, while a member or after retirement, shall have the right to revoke the nomination of a beneficiary made by him under the retirement system, and to nominate a beneficiary in lieu thereof, all by written designation duly executed and filed with the retirement board; provided, that this right shall not extend to beneficiaries nominated under options 2 and 3 of section 16.75 of this code, nor shall it extend to dependents designated as beneficiaries by state law, the charter or this article, to receive benefits payable on account of death or disability incurred in the performance of duty.

Section 2. This ordinance does not and shall not give any person any claim against the city and county for an increase in any death benefit paid or payable on account of the death, prior to the effective date of this ordinance, of a person after retirement and while receiving a retirement allowance under the retirement system.

AMENDING PART II, CHAPTER VIII, SAN FRANCISCO MUNICIPAL CODE (POLICE CODE), BY ADDING ARTICLE 33 THERETO, PROHIBITING DISCRIMINATION BASED ON SEXUAL ORIENTATION IN EMPLOYMENT, HOUSING AND PUBLIC ACCOMMODATIONS AND PROVIDING REMEDIES THEREFOR.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter VIII, San Francisco Municipal Code (Police Code), is hereby amended by adding Article 33 thereto, to read as follows:

ARTICLE 33

PROHIBITING DISCRIMINATION BASED ON SEXUAL ORIENTATION

SEC. 3301. Policy. It is the policy of the City and County of San Francisco to eliminate discrimination based on sexual orientation within the City and County.

SEC. 3302. Findings. After public hearings and consideration of testimony and documentary evidence, the Board of Supervisors finds that discrimination based on sexual orientation exists in the City and County of San Francisco. The Board finds further that such discrimination poses a substantial threat to the health, safety and general welfare of this community. Such discrimination foments strife and unrest, and it deprives the City and County of the fullest utilization of its capacities for development and advancement. The Board finds further that existing state and federal restraints on arbitrary discrimination are not adequate to meet the particular problems of this community, so that it is necessary and proper to enact local regulations adapted to the special circumstances which exist in this City and County.

SEC. 3303. Employment. (a) Prohibited Activity. It shall be unlawful for any person to do any of the following acts ~~for a discriminatory reason~~ wholly or partially based on sexual orientation of an employee or applicant for employment:

(1) By an employer: To fail or refuse to hire, or to discharge any individual; to discriminate against any individual with respect to compensation, terms, conditions or privileges of employment, including promotion; or to limit, segregate or classify employees in any way which would deprive or tend to deprive any individual of employment opportunities, or otherwise adversely affect his/her status as an employee;

(2) By an employment agency: To fail or refuse to refer for employment any individual; or otherwise to discriminate against any individual;

(3) By a labor organization: To exclude or expel from ~~To fail or refuse to include~~ in its membership or to otherwise discriminate against any individual; or to limit, segregate or classify its membership; or to classify or fail or refuse to refer for employment any individual in any way which would deprive or tend to deprive such individual of employment opportunities, or would limit such employment opportunities, or otherwise adversely affect his/her status as an employee or as an applicant for employment;

(4) By an employer, employment agency or labor organization;

(i) to discriminate against any individual in admission to, or employment in, any program established to provide apprenticeship or other training or retraining, including any on-the-job training program;

(ii) to print, publish, advertise or disseminate in any way, or cause to be printed, published, or disseminated in any way, any notice or advertisement with respect to employment, membership in, or any classification or referral for employment or training by any such organization, which indicates an unlawful discriminatory preference.

(b) Bona Fide Occupational Qualification Not Prohibited; Burden of Proof. (1) Nothing contained in this section shall be deemed to prohibit selection or rejection based upon a bona fide occupational qualification.

(2) In any action brought under Section 3307 of this Article (Enforcement), if a party asserts that an otherwise unlawful discriminatory practice is justified as a bona fide occupational qualification, that party shall have the burden of proving: (1) that the discrimination is in fact a necessary result of a bona fide occupational qualification; and (2) that there exists no less discriminatory means of satisfying the occupational qualification.

(c) Exceptions. (1) It shall not be an unlawful discriminatory practice for an employer to observe the conditions of a bona fide seniority system or a bona fide employee benefit system, provided such systems or plans are not a subterfuge to evade the purposes of this Article; provided, further, that no such system shall provide a pretext not to hire an individual because of his or her sexual orientation. ~~an excuse for failure to hire any individual.~~

(2) Nothing in this section shall be construed to apply to employment by any business which employs five or fewer employees including the owner and any management and supervisorial employees.

SEC. 3304. Housing. (a) Prohibited Activity. It shall be unlawful for any person to do any of the following acts ~~for a discriminatory reason~~ wholly or partially based on sexual orientation:

(2) To include in the terms or conditions of a transaction in real property any clause, condition or restriction;

(3) To refuse to lend money, guarantee the loan of money, accept a deed of trust or mortgage, or otherwise refuse to make available funds for the purchase, acquisition, construction, alteration, rehabilitation, repair or maintenance of real property; or impose different conditions on such financing; or refuse to provide title or other insurance relating to the ownership or use of any interest in real property;

(4) To refuse or restrict facilities, services, repairs or improvements for any tenant or lessee;

(5) To make, print, publish, advertise or disseminate in any way, or cause to be made, printed or published, advertised or disseminated in any way, any notice, statement or advertisement with respect to a transaction or proposed transaction in real property, or with respect to financing related to any such transaction, which unlawfully indicates ~~or attempts to indicate any unlawful~~ preference, limitation or discrimination based on sexual orientation.

(2) To make, print, publish, advertise or disseminate in any way, or cause to be made, printed, published, advertised or disseminated in any way, any notice, statement or advertisement with respect to any public accommodation which indicates that the full enjoyment of such accommodation will be unlawfully refused an individual.

SEC. 3306. Liability. Any person who violates any of the provisions of this Article or who aids in the violation of any provisions of this Article shall be liable for, and the court must award to the individual whose rights are violated, special and general damages, and may award in addition thereto, not less than Two Hundred Dollars ($200) but not more than Four Hundred Dollars ($400), together with attorney's fees and costs of action.

SEC. 3307. Enforcement. (a) Human Rights Commission. Any person who believes that she or he has been discriminated against in violation of the provisions of this Article may file with the Human Rights Commission a request to have the Commission investigate and mediate his or her complaint under the provisions of Section 12A of the Administrative Code of the City and County of San Francisco.

(b) Civil Action. Any aggrieved person may enforce the provisions of this Article by means of a civil action.

(c) Injunction. (1) Any person who commits, or proposes to commit, an act in violation of this Article may be enjoined therefrom by any court of competent jurisdiction.

(2) Action for injunction under this subsection may be brought by any aggrieved person, by the District Attorney, by the City Attorney, or by any person or entity which will fairly and adequately represent the interests of the protected class.

(d) Bar. A complaint to the Human Rights Commission is not a prerequisite to the filing of a civil action under this section. The pendency of a complaint before the Human Rights Commission shall not bar any civil action under this section, but a final judgment in any civil action shall bar any further proceedings by the Human Rights Commission.

SEC. 3308. Limitation on Actions. Judicial actions or requests to the Human Rights Commission under this Article must be filed within one year of the alleged discriminatory acts.

SEC. 3309. Definition. The word "person" as used in this Article shall mean any individual, person, firm, corporation, or other organization or group of persons however organized.

SEC. 3310. Severability. If any part or provision of this Article, or the application thereof to any person or circumstance, is held invalid, the remainder of the Article, including the application of such part or provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Article are severable.

Such appeals shall be processed in the following manner:

(a) An appeal by a residential user shall be initially submitted in writing to the Director or his designated representative, Each such appeal shall contain the name and address of the appellant and a statement that substantiates the percentage of incoming water discharged to the sewer and shall be filed with the Director within 60 days of receipt of such sewer service charge. The Director or his

designated representative shall have the power and duty to decide on such appeals from residential users that involve the percentage of incoming water discharged to the sewer; all at no cost to the appellant. The decision by the Director or his designated representative shall be transmitted to the appellant within 90 days of receipt of appeal unless the appellant agrees to an extension of time beyond the 90 days.

(b) Should the appellant be dissatisfied with the decision of such appeal by the Director, then said appellant may have his appeal referred to the board by submitting a written request therefor to the Director of Public Works within 30 days of receipt of aforementioned decision. The board shall have the power and duty to hear and decide only those appeals from appellants who have made prior appeals to the Director. The decision of the board shall be transmitted to the appellant within 45 days of receipt of said appeal by the board unless the appellant agrees to an extension of time beyond the 45 days.

SEC. 149.3. Hearing. Upon receipt of notice of appeal, the Secretary shall set a time and place for hearing such appeal by the board. Notice of the time and place of such hearing shall be given by mail to the appellant. At the hearing, the appellant may appear in person or by agent or by attorney. Appeals shall be considered by the board at the earliest opportunity.

SEC. 149.4. Effective Date of Appeal. For the purpose of this Article, the date upon which the Director receives an appeal that the Director considers to be a valid appeal, or that the board considers to be a valid appeal, shall be the effective date of appeal. Adjustments to the sewer service charges as a result of an appeal may apply retroactively only to the last billing prior to the effective date of appeal.

SEC. 149.5. Termination. The board and Appeals procedure of this Article shall cease to exist on a date twenty-four (24) months and one (1) day after the effective date hereof, unless extended by Ordinance by the Board of Supervisors.

SECTION 2, Article 4.2, Chapter X, Part II, San Francisco Municipal Code (Public Works Code) is hereby amended by repealing Section 149.6 thereof.
